LEGACY

- Clos Pegase was founded in 1983 by Jan and Mitsuko Shrem, inspired by their passion for both wine and art
- In partnership with the San Francisco Museum of Modern Art, the Shrems launched an architectural design competition that drew 96 emerging architects
- Michael Graves won with a post-modern design that blends classical and contemporary styles with Mediterranean influences; the winery opened in 1987 and became an architectural icon

ESTATE EXPERIENCES

- 20,000 square feet of wine caves, including a unique tasting experience in the Cave Theatre
- Rotating art gallery showcasing emerging artists, adding to the estate's artistic legacy
- Wine cellar tastings coming soon, offering an exclusive experience following construction
- Guests are invited to explore the estate grounds with a glass of wine in hand
- Enjoy the serene cypress-lined lawn and sweeping vineyard vistas

VINEYARD & TERROIR

- Grapes are carefully sourced from select Napa Valley vineyards, each offering unique terroir
- Carneros Napa sourcing offers rocky, well-drained soils and ideal sun exposure for balanced ripening
- Calistoga sourcing contributes bold expression from the region's distinct sun and soil
- The combination of these sites results in wines with exceptional style, complexity, and quality

WINEMAKING

- Clos Pegase's winemaking legacy began with André Tchelistcheff, who crafted the inaugural Chardonnay and Cabernet Sauvignon vintages
- Tchelistcheff's pioneering focus on terroir-driven varietal planting laid the foundation for the winery's philosophy
- Today, Winemaker Robin Akhurst leads the team in honoring this legacy through a blend of tradition and innovation
- The winemaking approach combines classic techniques with modern practices to highlight vineyard character
